What better place to eat your breakfast than at Stinchcombe Hill Golf Club  
one of the most scenic Golf Courses in the Country

Stinchcombe Hill Golf Club is located in the hills above the town of Dursley in Gloucestershire. On entering the town from either direction, you are naturally led to the town centre traffic lights, where you can follow signs for the library. Just past the library, bear right at the Old Spot public house and continue up the hill to the top. Turn right at the top which leads you to the Golf Club car park.

Please bring plenty of business cards, flyers, etc to promote your business  
There will be an opportunity for you to network with others  
prior to during and after breakfast.

**Book Now to be sure of a place**
